By using this website you acknowledge that you have read, understood and accepted the terms set out below.

HFSB reserves the right to modify these terms from time to time. You should therefore review these terms whenever accessing the site.

This website, including these terms, shall be governed by and construed in accordance with English law.

The materials contained on this website are of a general, informational, nature. While HFSB tries to ensure that information on the site is accurate and complete at the date on which it is added to the website, it gives no representation or warranty, express or implied, about the information provided through the website or its accuracy, completeness or timeliness. No responsibility or liability is accepted by HFSB for any errors, omissions or misleading statements.

HFSB does not accept any responsibility or liability for any loss or damage, whether arising in contract or tort or otherwise (including, but not limited to, negligence), which may arise from the use or inability to use this website, or any reliance on any information contained in it, or from any person acting or refraining from acting as a result of any information contained in this website.

No responsibility, duty of care or liability whatsoever (whether in contract or tort or otherwise including, but not limited to, negligence) is or will be accepted by HFSB or the Board of Trustees of HFSB to signatories to the Standards, investors or any other person in connection with the Standards or any Conformity Statement or Disclosure Statement made by any signatory.

Neither HFSB nor its Board of Trustees is a regulator of the hedge fund industry and their role does not extend beyond being a custodian of the Standards. Neither HFSB nor its Board of Trustees will seek to enforce compliance with the Standards by signatories. The fact that a manager is a signatory to the Standards is not and should not be taken as an endorsement of such manager by HFSB or the Board of Trustees or as a representation by HFSB or the Board of Trustees that such signatory operates in conformity with the Standards. In determining whether to accept a manager's application to become a signatory (or whether to revoke a manager's status as a signatory), the Board of Trustees will be entitled to rely on the information provided to it by such manager without further investigation or verification. Further, subject to any duties a Trustee may have under applicable law, it is not envisaged, or expected, that a Trustee will when participating in any such decision of the Board of Trustees take into consideration information which it may possess otherwise than in its capacity as a Trustee. For the avoidance of doubt, Trustees are acting as individuals.

HFSB and the Board of Trustees of HFSB do not accept any responsibility or liability for any loss or damage caused to any person who acts or refrains from acting as a result of anything contained in or omitted from the Standards or any Conformity Statement or Disclosure Statement made by any signatory or in reliance on the provisions of or material in the Standards or any Conformity Statement or Disclosure Statement made by any signatory, whether such loss or damage is caused by negligence or otherwise.
